SUMMARY

Aspiring web developer eager to launch a professional career in creating and maintaining dynamic, user-friendly websites. Seeking an entry-level role to contribute strong problem-solving skills and a passion for constructing functional, visually appealing online experiences. Possess a foundational understanding of web technologies and an adaptable approach to new learning challenges. Ready to collaborate with teams to deliver effective web solutions. Committed to ongoing growth within a progressive company environment. Looking to add value through motivation and a willingness to embrace new responsibilities.

PROFESSIONAL EXPERIENCE

Kodnest Technologies   **Bengaluru, Karnataka, India**
Software Development Intern   **04 Aug 2025 - Present**

- Intern at KodNest, where I acquired practical skills in Java, MySQL, Frontend Technology, Manual Testing, contributing to real-world projects and learning directly from industry professionals

Varcons Technologies   **Bangalore, Karnataka**
FullStack Development Intern   **13 Jan 2025 - 13 May 2025**

- Built responsive web pages using HTML, CSS, and JavaScript, improving UI/UX design. Learnt industry practices in front-end development, debugging, and clean code writing.

PROJECT EXPERIENCE

- **TaskBuddy**
  - TaskBuddy is a simple, modern, and interactive task management web application built with React. It helps users organize their daily tasks, track progress, and prioritize tasks efficiently.
- **VibeStore**
  - VibeStore is a fullstack e-commerce web application that allows users to browse products, add them to their cart, and proceed to checkout. It focuses on building seamless frontend–backend integration using React, Node.js, and Express.js.
